

# The Gillies Community Centre

will be hosting an evening to

## ***“Meet the Candidates”***

There will be an opportunity for each candidate to speak to the audience outlining their reasons for running.

As well, there will be a Q&A period, where members of the audience may ask questions of the entire panel or individuals.

Here is an opportunity to introduce yourself to the constituents who could be voting for you.

*We hope to see you there!*

**Date:** Thursday, October 7, 2010
